America has many eating places rich with railroad favor. Rectainment abound in former depore. But certain places are special. They have a unique history that continues to this day. Their stories are intertwined with those of the railroads, and it is often hard to say where the railroad story ends and where the sags of the contries begins. So, we looked consistencies to find establishments where the bond between the rail and the plate is tight. We nominate these that you can make for the food, the somers, and the taste in each bite. — IGM.
